

### TYPES OF WORK

We paint anything and everything we get our hands on. We've coated missiles, rockets, lighthouses and roller coasters just to name a few.

### OPPORTUNITIES FOR TRAVEL

We've done work around the world—from the islands off the coast of Africa to the Kennedy Space Center. We travel all throughout the southeastern United States and the Caribbean.

### BENEFITS

Comprehensive health, dental, life, and short term disability insurance is available to you at almost no-cost. We offer paid time off and paid holidays, a great work environment, and the latest in training and equipment.

### WOMEN AND MINORITIES ENCOURAGED TO APPLY

Our strength comes from having a diverse group of people working together to make a difference.

**Industrial Painter:** (*noun*) a highly skilled craftsman who is part artist, part chemist, part mathematician and part dare-devil. An individual of integrity who utilizes their superior skills, strength, and ingenuity to coat the world in paint. One who is willing to work outdoors at various heights and in confined spaces and meets physical needs of the paint trade.

**H.I.S. Painting:** (*noun*) a corporation employing, empowering, and engineering only the best painters in the industry.

## Find your future as an industrial painter

### HOW TO APPLY

1. Learn all you can about H.I.S. Painting.
2. Pick up an application:
  - in our office
  - online [www.hispaintinginc.com](http://www.hispaintinginc.com)
3. Complete the application.
4. Turn in the application to the Human Resource office:
  - in person or
