The H.I.S. Difference: Our new innovations and continuous improvements help us prepare daily to meet the demands of tomorrow. We remain on the cutting edge of environmental conservation and preservation. We use the latest technologies in surface preparation, application techniques, and green paint systems to build a brighter future. Our team of qualified and professional employees has been the key to our success. With that in mind, we partner with the National Center for Construction Education and Research and SSPC to provide advanced continuing education opportunities to all of our employees. Whatever your need, we have you covered.

H.I.S. Painting is an industrial painting company located in Titusville, Florida. Incorporated in 1992, H.I.S. Painting is a certified woman-owned small business in the state of Florida, licensed in the county and is bondable/ insured. We are registered in the SAM under the DUNS Number 78-901-1962. Our annual revenue is approximately \$4 million and our employee workforce is between 30 and 40 people. The company offers corrosion control, lead abatement, all paint systems and specialty applications to fit our clients' needs. We are a proud member of the National Federation of Independent Business (NFIB), Associated Builders and Contractors, Inc. (ABC), and the Society for Protective Coatings (SSPC).
